Winnipeg Air Testing can test common home building materials for the presence of asbestos. Such household materials including the following:

- Boiler and pipe insulation
- Mastic under floor tiles and flooring
- Wall plaster
- Vermiculite in attic
- Brick mortar
- Floor tiles and sheet flooring
- Ceiling stipple / spackle
- Ceiling tiles
- Drywall Joint compound
- External Stucco

Cost of Asbestos Analysis (GST is included in the prices below)

Turnaround Time	5 Business Days	2 Business Days*	Next Day*
Price / Sample	\$ 63.00	\$ 88.20	\$ 126.00

* Samples must be dropped off by 11 AM to be counted as received that day

Vermiculite (Attic Insulation) is analyzed using a TEM method. If this is for submission to Workplace Safety and Health, 3 samples are required.

Turnaround Time	8 Business Days	5 Business Days*	2 Business Days*
Price / Sample	\$ 147.00	\$ 178.50	\$ 231.00
